The Senate Finance Committee will hear public testimony on House Bill (HB) 1 tomorrow, Saturday, June 11. The meeting will begin at 9:00 a.m. in Committee Room A-B.

LaCAN members are encouraged to attend this meeting and arrive early wearing their **yellow rally shirts** to support restoration of funds to DHH.

In its current form, HB1, the state's budget for next year, contains drastic cuts to DHH's budget that DHH indicates will slash or eliminate home and community based services such as the Cash Subsidy program and Individual and Family Support services and result in another 7.5 percent rate cut to providers.
