

## *Minnie and Viola Hendrix*

*Minnie Hendrix works an eight hour day at Hilltop Nursing Home and her sister Viola works part time at Burger King. They own their own home where they love to cook and entertain. They enjoy their church, their friends and their lives. But that wasn't always the case. For much of their adulthood, they lived in a costly, large institution - Pinecrest Developmental Center. Now, at a fraction of the cost for their supports, they live productive lives included in their community. Shouldn't everyone have that opportunity?*
