

LOUISIANA CITIZENS FOR ACTION NOW

Advocating for Louisiana Citizens with Developmental Disabilities

~~~~~  
**LaCAN Information Alert - Community First Disability Rights Rallies 2011 February 23, 2011**  
~~~~~

Nine regional rallies will be held throughout the state the week of **March 12 - 19, 2011** to promote Louisiana moving to a culture of supporting and accepting individuals with disabilities as full contributing and inclusive members of their communities. Budget cuts over the past two years have strained the system supporting people with developmental disabilities. Individuals with disabilities, their families, provider agencies and advocates will be expressing their support of funding that enables community services for people with developmental disabilities to be preserved.

The Community First Disability Rights Rallies 2011 are organized and supported through the collaborative efforts of the Louisiana Developmental Disabilities Council, LaCAN, Families Helping Families Regional Resource Centers, People First of LA, The Arc of Louisiana, Local Arcs, CARSA, and other organizations and agencies.
